

C'MON BACK.
THIS IS YOUR FIRST TIME IN THE NEW PLACE, ISN'T IT?

I'D FORGOTTEN HOW MUCH COLDER IT CAN BE DOWNTOWN. AND YOU KEEP IT EVEN COLDER IN HERE!

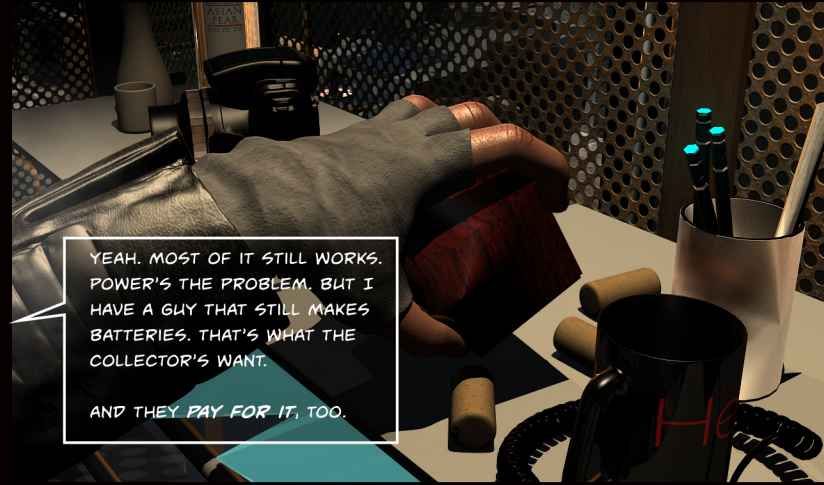

WE DON'T GET MUCH SUNSHINE DOWN HERE. BESIDES, I GOTTA KEEP THINGS FRESH.

WE'LL TALK IN HERE. I RE-DECORATED FOR YOU.

PEOPLE ACTUALLY GOT WORK DONE ON THESE THINGS.

YEAH. MOST OF IT STILL WORKS. POWER'S THE PROBLEM. BUT I HAVE A GUY THAT STILL MAKES BATTERIES. THAT'S WHAT THE COLLECTOR'S WANT. AND THEY PAY FOR IT, TOO.

HERE YOU GO, DOCTOR. YOU'LL NEED TO KEEP IT COOL -- LIKE COLD. I'VE GOT IT IN A THUMB CHILLER. GO AHEAD. TAKE A LOOK.

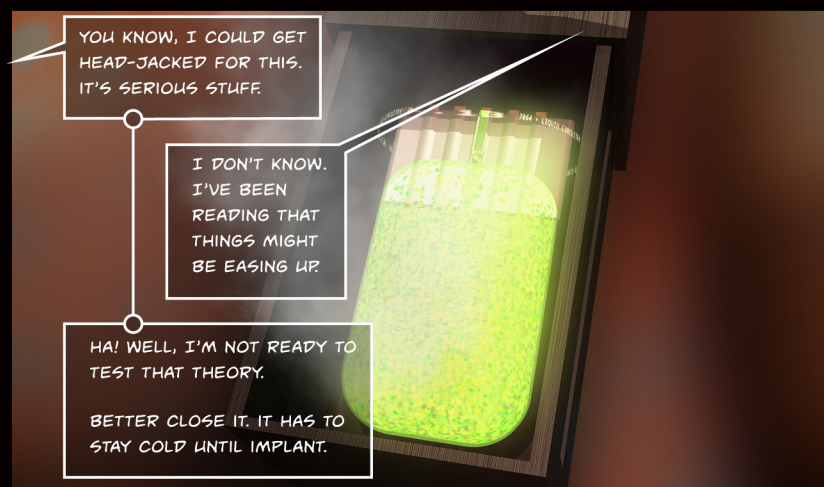

WOW! YOU'VE ENCLOSED THE WHOLE ROOM. DOES THIS REALLY WORK?

THESE METAL CAGES LOCK OUT EVERYTHING. THE GOON SQUAD CAN'T CHIPSCAN YOU IN HERE. OLD TECH IS STILL THE BEST, MY FRIEND.

THIS IS AMAZING! YOU HAVE SO MUCH -- JUNK!

DON'T USE YOUR FINGERS. JUST THINK. "OPEN."

YOU KNOW, I COULD GET HEAD-JACKED FOR THIS. IT'S SERIOUS STUFF.

I DON'T KNOW. I'VE BEEN READING THAT THINGS MIGHT BE EASING UP.

HA! WELL, I'M NOT READY TO TEST THAT THEORY. BETTER CLOSE IT. IT HAS TO STAY COLD UNTIL IMPLANT.
