

YEAH, FINE, BUT LET'S SIT DOWN.

OFF-DUTY LOUNGE →

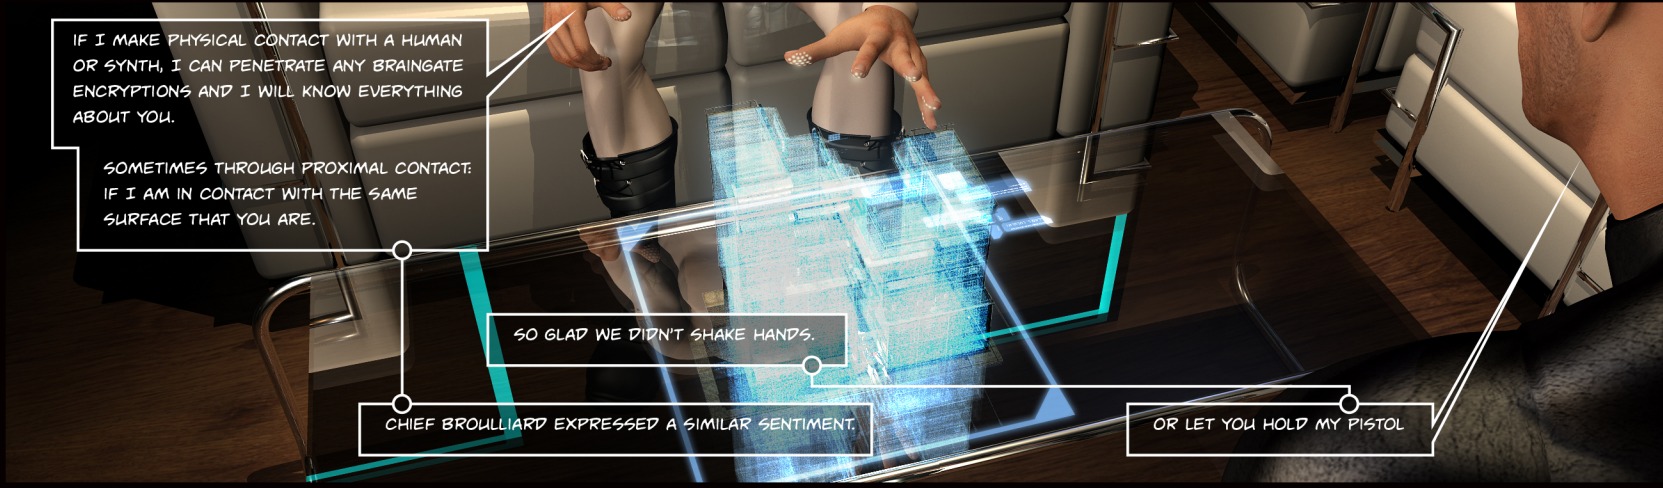

OVER HERE.

I WAS ABLE TO ACCESS SOME PIECES OF DR. COLBERT'S MEMORY AND RECONSTRUCT A SIMULATION.

YOU ACCESSED HIS MEMORY.

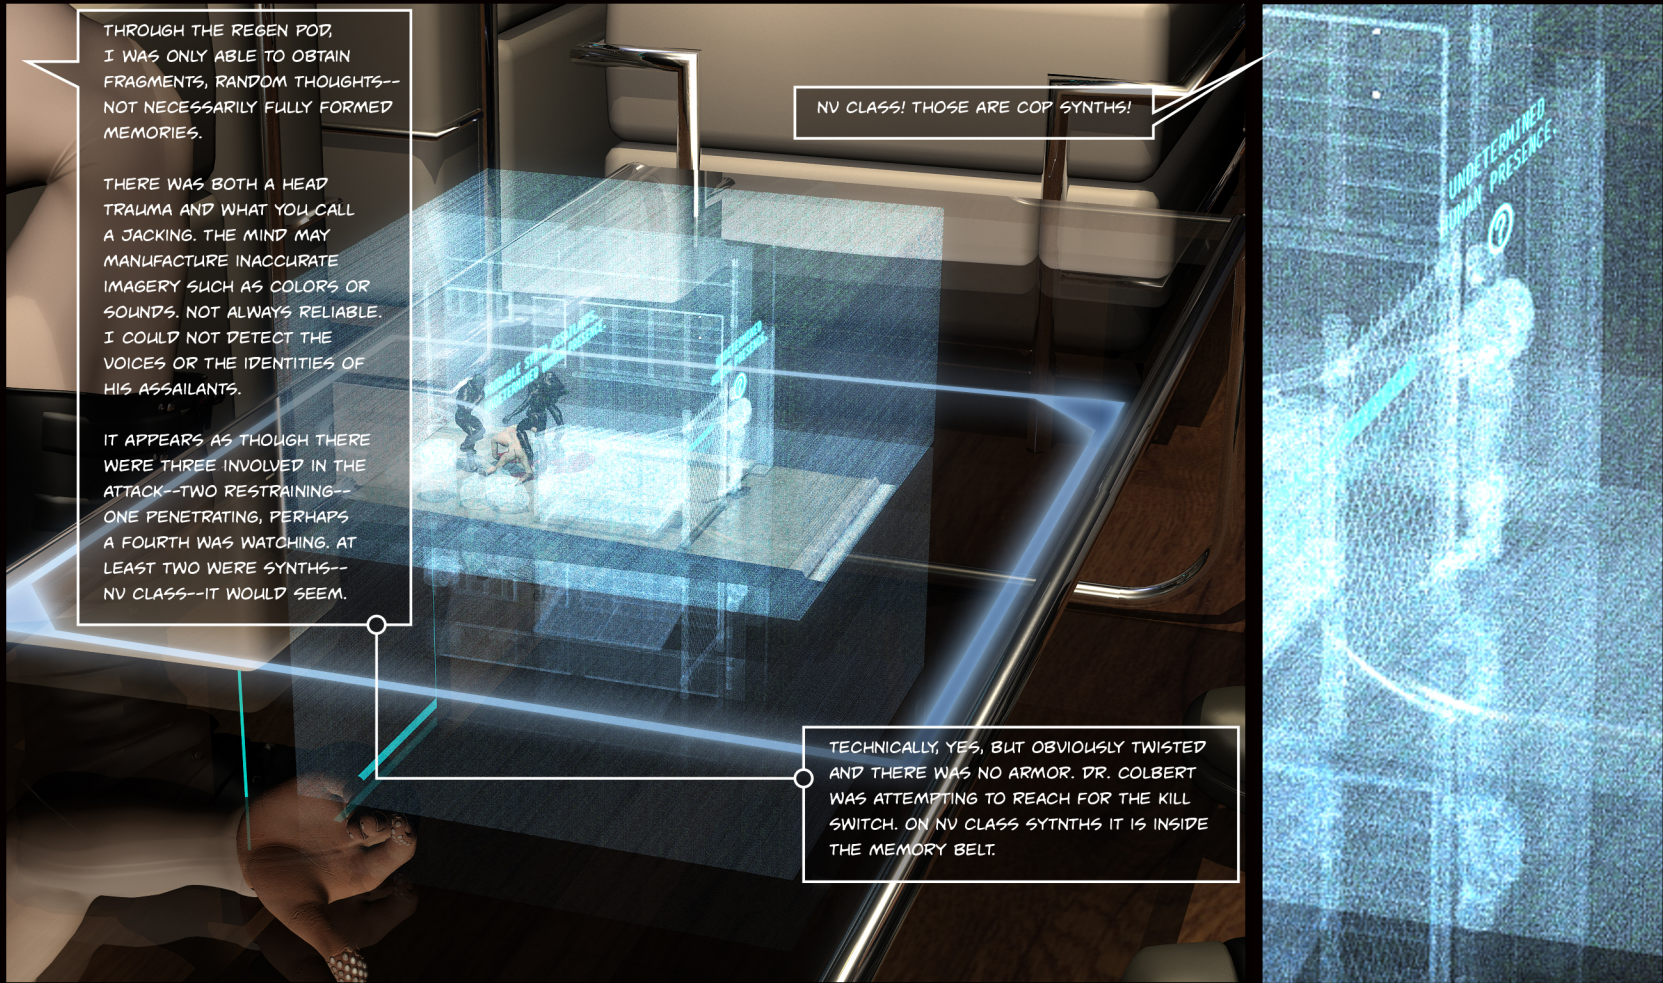

IF I MAKE PHYSICAL CONTACT WITH A HUMAN OR SYNTH, I CAN PENETRATE ANY BRAINGATE ENCRYPTIONS AND I WILL KNOW EVERYTHING ABOUT YOU.

SOMETIMES THROUGH PROXIMAL CONTACT. IF I AM IN CONTACT WITH THE SAME SURFACE THAT YOU ARE.

SO GLAD WE DIDN'T SHAKE HANDS.

CHIEF BROULLIARD EXPRESSED A SIMILAR SENTIMENT.

OR LET YOU HOLD MY PISTOL

THROUGH THE REGEN POD, I WAS ONLY ABLE TO OBTAIN FRAGMENTS, RANDOM THOUGHTS-- NOT NECESSARILY FULLY FORMED MEMORIES.

THERE WAS BOTH A HEAD TRAUMA AND WHAT YOU CALL A JACKING. THE MIND MAY MANUFACTURE INACCURATE IMAGERY SUCH AS COLORS OR SOUNDS. NOT ALWAYS RELIABLE. I COULD NOT DETECT THE VOICES OR THE IDENTITIES OF HIS ASSAILANTS.

IT APPEARS AS THOUGH THERE WERE THREE INVOLVED IN THE ATTACK--TWO RESTRAINING-- ONE PENETRATING, PERHAPS A FOURTH WAS WATCHING. AT LEAST TWO WERE SYNTHS-- NV CLASS--IT WOULD SEEM.

NV CLASS! THOSE ARE COP SYNTHS!

TECHNICALLY, YES, BUT OBVIOUSLY TWISTED AND THERE WAS NO ARMOR. DR. COLBERT WAS ATTEMPTING TO REACH FOR THE KILL SWITCH. ON NV CLASS SYTNTHS IT IS INSIDE THE MEMORY BELT.
