

I THINK WE ALL AGREE THAT THE V, AS WE KNOW IT TODAY, HAS SERVED US WELL. IT'S GONE FROM TAUDRY ENTERTAINMENT TO THE OPIATE OF THE MASSES. IT QUELLS DISSENT, PROVIDES A RELEASE FOR ABERRANT BEHAVIORS AND ALLOWS US TO IDENTIFY, MONITOR AND ELIMINATE THE TRULY DANGEROUS ACTORS IN OUR SOCIETY.

IT'S STILL A TAUDRY DEN OF LUST AND PERVERSION, BUT I AGREE, PRE-EMPTING THESE BEHAVIORS HAS SOME VALUE.

>SIGH< HO IS RIGHT, WITH THIS LATEST CHIP UPGRADE, THERE IS ACCESS TO MEMORIES.

INSIDE THE ROOM, THE LIGHTSTREAM WILL RECORD ALL ASPECTS OF OUR CITIZEN'S LIVES FROM CHIP IMPLANTATION AS A CHILD, AND THE MINDWELL CAN BEGIN TO SORT OUT UNDISCOVERED CRIMES AND IDENTIFY THE DEPLORABLES.

EVERYONE IS IN THE V! WE'RE ALREADY SUPPLYING THEIR MINDS WITH ENTERTAINMENT. IT WAS ONLY THEIR BRAINGATE CRYPTS KEEPING US FROM DEEPER DATA. THE DATA WE NEED TO KEEP OUR MOST PRODUCTIVE THRIVING AS WELL AS IDENTIFYING THE LEAST PRODUCTIVE.
