

COME NOW MADAME LEE, FOR NEARLY A CENTURY THE POPULACE HAS GIVEN THEIR BENEFACTORS INCREASINGLY MORE LATITUDE TO DECIDE THEIR BEST INTERESTS. I THINK THAT EVEN IF THEY KNEW, THEY WOULD ACQUIESCE. BUT IF THERE IS ANY RESIDUAL CONCERN, THIS IS PRECISELY WHY THIS NEW CHIPSET UPGRADE IS SO CRITICAL. WE CAN SUGGEST NEW MEMORIES. THEN NOT ONLY DO THEY FEEL BETTER ABOUT CONTRIBUTING TO THE GREATER GOOD, BUT THEY WILL BE ALLEVIATING PAINFUL GUILT. WHEN GUILT IS CALLED FOR, THE PROCESS IS EVEN MORE SEAMLESS. EITHER WAY, THE MINDWELL DECIDES.

MY DEAR MADAME LEE, WE HAVE ALREADY AGREED ON THIS, AND, FRANKLY, EXHAUSTED THIS LINE OF DISCUSSION.

VERY GOOD THEN, GENTLEONES. THE CHIPSET UPGRADE WILL PROCEED ON SCHEDULE.

IS THERE ANY OTHER BUSINESS?

THERE WAS A PROTEST THIS MORNING ABOUT THE RELEASE OF THE NEW T-CLASS SYNTHETIC. SEVERAL GROUPS HAVE SPOKEN OUT AGAINST WHAT THEY CALL "THE UNPRECEDENTED AUTHORIZATION TO KILL A HUMAN BEING."

IT'S ONLY IN SITUATIONS OF CAPITAL CRIMES. I DON'T KNOW WHY PEOPLE GET SO UPSET.

THERE ARE A NUMBER OF "TAKING MY MEMORIES" PROTESTS ON THE LIGHTSTREAM. THE MORE VOLATILE ISSUE IS HOW IT DETERMINES GUILT. IT'S THE FACT THAT T-CLASS--WITH A SIMPLE TOUCH--CAN LEGALLY OVERRIDE ALL THE BRAINGATE ENCRYPTIONS AND DIRECTLY ACCESS YOUR SUM TOTAL OF MEMORY AND EXPERIENCE.

PEOPLE SEE MEMORY AS THEIR LAST MORSEL OF A PRIVATE SELF

PRIVATE SELF! HOW SILLY. THIS KIND OF DISSENT IS UNPRODUCTIVE. WITH THAT SIMPLE TOUCH, A T-CLASS CAN DETERMINE GUILT ALMOST ONE HUNDRED PERCENT-FOR CAPITAL CRIMES THIS IS MOST ADVANTAGEOUS. AS LONG AS THE POPULOUS IS INNOCENT OF SUCH CRIMES THEY HAVE NOTHING TO WORRY ABOUT.

I DON'T WISH TO SOUND LIKE A LOOPING ALGORITHM, BUT THIS NEW CHIP RESET WILL KEEP THESE PROTESTS FROM OCCURRING.

ALL THE MORE REASON... UNLESS THERE IS ANYTHING ELSE, THANK YOU ALL FOR COMING. WE ARE ADJOURNED.
