

DOCTOR, HOW LONG MUST HE BE IN HERE?

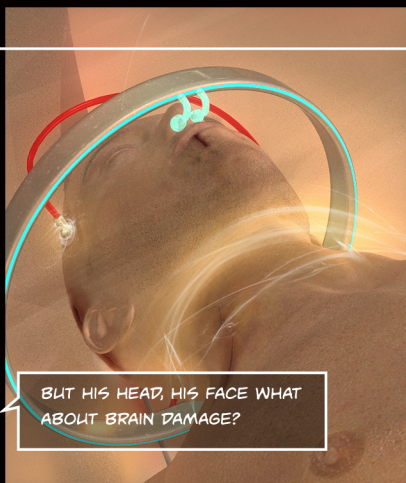

SIR ??

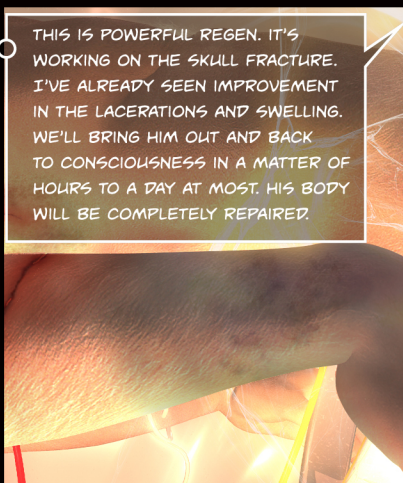

MY PEOPLE OUTSIDE, I WANT TO TALK TO THE GOVERNOR. IF I MAY, SIR?

WE ARE MONITORING ALL HIS FUNCTIONS. THE STEM CELL MEDIUM IS REGENERATING RIGHT NOW, REPAIRING SOFT TISSUE, HEALING LACERATIONS--

BUT HIS HEAD, HIS FACE WHAT ABOUT BRAIN DAMAGE?

THIS IS POWERFUL REGEN. IT'S WORKING ON THE SKULL FRACTURE. I'VE ALREADY SEEN IMPROVEMENT IN THE LACERATIONS AND SWELLING. WE'LL BRING HIM OUT AND BACK TO CONSCIOUSNESS IN A MATTER OF HOURS TO A DAY AT MOST. HIS BODY WILL BE COMPLETELY REPAIRED.

GOVERNOR, I'M EXTREMELY FAMILIAR WITH CASES LIKE THIS. I WAS A VICTIM OF TRAUMA AS A CHILD, AND I URGE YOU TO CONSIDER ERASURE. EVEN IF HE'S BEEN JACKED--ER, I MEAN, EVEN WITH EVIDENCE OF POSSIBLE BRAIN TAMPERING, THIS CAN BE CLEARED UP BEFORE HE EVER REGAINS CONSCIOUSNESS.

MY OFFICERS ARE PERFECTLY CAPABLE OF MAKING AN ARREST FROM FORENSIC EVIDENCE ALONE. WHY PUT HIM THROUGH IT?

I'M SORRY COLONEL. WE DON'T BELIEVE IN ERASURE.

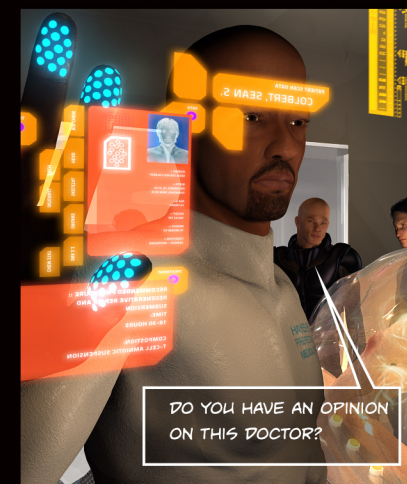

AS FOR PSYCHOLOGICAL TRAUMA THERE IS ALWAYS--*SELECTIVE ERASURE*. BUT IN LIEU OF THE TAMPERING THAT HAS ALREADY OCCURRED--

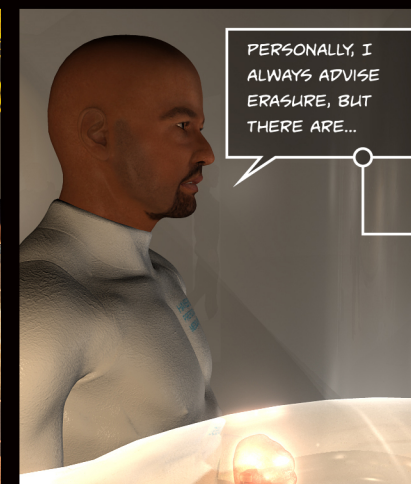

I DON'T THINK WE WANT TO GO THERE JUST YET, SIR. THERE MIGHT BE IMPORTANT EVIDENCE IN--

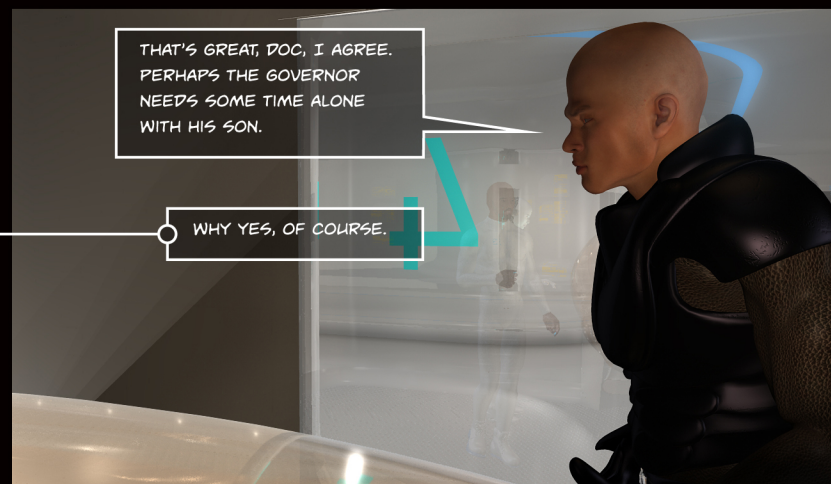

OUTSIDE BROULLIARD.

DO YOU HAVE AN OPINION ON THIS DOCTOR?

PERSONALLY, I ALWAYS ADVISE ERASURE, BUT THERE ARE...

THAT'S GREAT, DOC, I AGREE. PERHAPS THE GOVERNOR NEEDS SOME TIME ALONE WITH HIS SON.

WHY YES, OF COURSE.
